2019 SAFETY EQUIPMENT REIMBURSEMENT GRANT INSTRUCTIONS & APPLICATION

ELIGIBLE ENTITIES

1. Eligible applicants are Owners of vessels that the State of California, Department of Fish & Wildlife has issued a valid California Commercial Fishing Boat Registration; who's Owner or Operator holds a current California Commercial Fishing License; and is used for Commercial Fishing Activities. Such use shall be evidenced by proof that the vessel has Commercial Fish Landings worth at least five thousand dollars (\$5,000) in 2018 and/or 2019. Gross earnings of fish sales shall be evidenced by State Landing Receipts.
2. In addition, the home port of the qualifying vessel must be Morro Bay, California or Port San Luis, California.

REIMBURSEMENT GRANT POLICIES

1. The qualifying expenditures to be reimbursed shall be made in calendar year 2019 (**between January 1 and December 31, 2019**), except applicants may carry forward into 2019 any remaining expense from the purchase of a New Life Raft that was not reimbursed in a prior year of this program, up to an annual limit of \$1,500.
2. The final date for submitting grant requests to the Committee Office is **15 January 2020, 5:00 p.m.**
3. As a condition of receiving a Safety Equipment Reimbursement Grant, the vessel Owner agrees to allow inspection of the purchased Approved Reimbursable Safety Equipment.

EVALUATION CRITERIA

1. All Safety Equipment Reimbursement Grant applications will be screened for relevance, accuracy, completeness and compliance with eligibility requirements and grant policies.
2. A Safety Equipment Reimbursement Sub-committee will meet to review and approve or deny applications. Applications received by June 30, 2019 will be reviewed and approved/denied by July 31, 2019. Applications received after June 30, 2019 will be reviewed and approved/denied by January 31, 2020.
3. If the grant funds for this project are exhausted before all valid applications are paid, those applicants that still have valid approved applications, but have not been reimbursed, will be reimbursed in 2020 with funds from the 2020 Commercial Fishing Industry Improvement Fund

HOW TO APPLY

To apply for a Safety Equipment Reimbursement Grant, complete the attached form and deliver the completed form with all of the required documentation to the Committee Office prior to the final submission date. Include all of the following documentation:

1. Photocopy of vessels current 2019 California Commercial Fishing Boat Registration
2. Photocopy of vessel Owner or Operators current 2019 California Commercial Fishing License
3. Photocopy(s) of \$5,000 of State Landing Receipts for 2018 and/or 2019
4. Photocopy or original paid in full receipts(s) for Approved Safety Equipment. The receipt must be legible [preferably machine typed], must verify that the purchase price for approved items is paid in full, and must verify that the eligible applicant has received the approved items.

Use one of the following two methods to submit a Safety Equipment Reimbursement Grant Application:

VIA U. S. MAIL: Central California Joint Cable/ Fisheries Liaison Committee P.O. Box 2033 Morro Bay, California 93443	DIRECT DELIVERY TO: CCJCFCLC Office 525 Harbor Street Morro Bay, California 93442 * Drop slot in back door
