

**Commercial Fishing Industry Improvement Fund Grant Application & Instructions****Project Proposal Cover Sheet.****A. Project Information****1. Project Title \****Give your project a name we can use to easily reference it*

2021 Commercial Fishing Vessel Safety Equipment Reimbursement Program

**2. Project Location Description \****List the county, municipalities, etc. in which you will conduct project*

All project activities are conducted in San Luis Obispo County, California

**3. Grant Amount Requested \***

\$100,000

**4. Projected Project Start Date \***

April 1, 2021

**5. Projected Project End Date \***

January 31, 2022

**6. Project Description \****Provide a brief summary description of the project. Limit to 300 characters*

Provides funds for a program that reimburses Qualifying Commercial Fishermen for Approved Commercial Fishing Vessel Safety Equipment that they purchase throughout the year.

**B. Applicant Information****1. Name/Organization \***

Central California Joint Cable/Fisheries Liaison Committee

**2. Address \* City \* State \* Zip \***

P.O. Box 2033, Morro Bay, CA 93442

**3. Type of Entity \***

Domestic Nonprofit

**4. Primary Contact \***

Christopher Kubiak

**5. Phone \* & Email \***(805) 771-9637 [ckub@sbcglobal.net](mailto:ckub@sbcglobal.net)

**Commercial Fishing Industry Improvement Fund Grant Application & Instructions**

**Required Narrative Summary Information**

**C. Project Definition**

- 1. Overall Cost of Project \$100,000
- 2. Duration of Project April 1, 2021 - January 31, 2022
- 3. Number of Staff Used in Various Stages One
- 4. Skills & Experience of Project Organizers & Staff  

The Project Staff, Mr. Christopher Kubiak is currently the CCJCFLC Liaison Officer and Secretary. Mr. Kubiak has managed the Safety Equipment Reimbursement Grant Program since 2002.

The CCJCFLC Liaison Officer will produce and distribute a 2021 Application; collect, organize and evaluate all Applications; prepare and send written responses to applicants that submit incomplete or unqualified Applications; distribute reimbursement payments to approved applicants in January 2022.
- 5. Measurable Deliverables, include a description of how they will be measured

**D. Project Plan**

Safety Equipment Reimbursement Grant Program	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	JAN
Distribute RFP										
Collect, Organize & Evaluate Applications										
Respond to Incomplete/Unqualified Applications										
Complete Evaluations, Distribute Payments

### 2021 SAFETY EQUIPMENT REIMBURSEMENT GRANT INSTRUCTIONS & APPLICATION

#### ELIGIBLE ENTITIES

1. Eligible applicants are Owners of vessels that the State of California, Department of Fish & Wildlife has issued a valid California Commercial Fishing Boat Registration; who's Owner or Operator holds a current California Commercial Fishing License; and is used for Commercial Fishing Activities. Such use shall be evidenced by proof that the vessel has Commercial Fish Landings worth at least five thousand dollars (\$5,000) in 2020 and/or 2021. Gross earnings of fish sales shall be evidenced by State Landing Receipts.
2. In addition, the home port of the qualifying vessel must be Morro Bay, California or Port San Luis, California.

#### REIMBURSEMENT GRANT POLICIES

1. The qualifying expenditures to be reimbursed shall be made in calendar year 2021 (**between January 1 and December 31, 2021**), except applicants may carry forward into 2021 any remaining expense from the purchase of a New Life Raft that was not reimbursed in a prior year of this program, up to an annual limit of \$1,500.
2. The final date for submitting grant requests to the Committee Office is **15 January 2022 5:00 p.m.**
3. As a condition of receiving a Safety Equipment Reimbursement Grant, the vessel Owner agrees to allow inspection of the purchased Approved Reimbursable Safety Equipment.

#### EVALUATION CRITERIA

1. All Safety Equipment Reimbursement Grant applications will be screened for relevance, accuracy, completeness and compliance with eligibility requirements and grant policies.
2. A Safety Equipment Reimbursement Sub-committee will meet to review and approve or deny applications. Applications will be reviewed and approved/denied by January 31, 2022.
3. If the grant funds for this project are exhausted before all valid applications are paid, those applicants that still have valid approved applications, but have not been reimbursed, will be reimbursed in 2022 with funds from the 2022 Commercial Fishing Industry Improvement Fund

#### HOW TO APPLY

To apply for a Safety Equipment Reimbursement Grant, complete the attached form and deliver the completed form with all of the required documentation to the Committee Office prior to the final submission date. Include all of the following documentation:

1. Photocopy of vessels current 2021 California Commercial Fishing Boat Registration
2. Photocopy of vessel Owner or Operators current 2021 California Commercial Fishing License
3. Photocopy(s) of \$5,000 of State Landing Receipts for 2020 and/or 2021
4. Photocopy or original paid in full receipts(s) for Approved Safety Equipment. The receipt must be legible [preferably machine typed], must verify that the purchase price for approved items is paid in full, and must verify that the eligible applicant has received the approved items.

Use one of the following two methods to submit a Safety Equipment Reimbursement Grant Application:

<b>VIA U. S. MAIL:</b> Central California Joint Cable/ Fisheries Liaison Committee P.O. Box 2033 Morro Bay, California 93443	<b>DIRECT DELIVERY TO:</b> CCJCFCLC Office 525 Harbor Street Morro Bay, California 93442 * Drop slot in back door
